

RESOLUTION 2021-23

Adjustment of Solid Waste
Collection Fees

WHEREAS, the Lincoln County Board of Commissioners did enter into a contract agreement, effective January 1, 2018, with RanDan, Inc to furnish once per week solid waste collection from all single-family dwellings and multi-family dwellings containing four (4) units or less within the Lincoln County, Kansas, cities of Barnard, Beverly, Lincoln Center and Sylvan Grove. The Contractor shall furnish all labor, materials equipment, and supervision necessary for this work, and;

WHEREAS, the contract states that either party may adjust compensation payable to the Contractor, on January 1, by an amount negotiated between the Contractor and the Board of Commissioners. Requests for adjustments must be made by October 15th prior to the effective date of the change, and;

WHEREAS, RanDan, Inc, has fulfilled all contract provisions, the Lincoln County Board of Commissioners does hereby resolve to adjust the solid waste collection fee from \$9.70 per household per month to \$9.88 per household per month, effective January 1, 2022.

WHEREAS, the Lincoln County Board of Commissioners does hereby approve an administrative fee to be assessed to each occupied residence per month, at the rate of twenty-five cents per household per month.

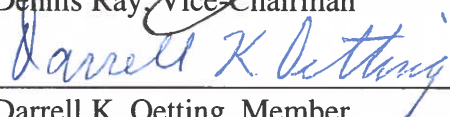

WITNESS, our hand this 25th day of October, 2021.
